Thanks for the comments on the state assumption paper. I had meant to reorganize Issue 2 as Steve and Carrie suggested, so certainly agree with your edits. I will incorporate later in the morning.)

Hi all – I revamped the paper. I'm out tomorrow at my **Ex. 6 Personal Privacy (PP)** but 1) it may not happen because of the weather and 2) even if it does, I hope to be home by 1:30. Try to have comments, let me know and I'll be online to deal with them in the afternoon (or earlier depending on the weather).

Thanks!
